

BLADON COMMUNITY PUB
A pub for the community, run by the community

Superb tenancy opportunity in an Oxfordshire community-owned pub

In 2020, the community bought the White House Pub in Bladon. This historic, 17th century pub, is right by the estate of Blenheim Palace and is reputed to be the place where Churchill 'learned to drink'. Tourists come to visit his grave in Bladon churchyard. Bladon is close to Oxford and a gateway to the beautiful Cotswolds. The pub has already established a local reputation for great food, good beer and its wine-tasting dinners. In 2022, the White House won a local award. We are looking for an experienced Tenant with these qualities:

- A capable and engaging personality who would make the pub a warm, welcoming, friendly place for our community.

- A proven track record of success in the hospitality industry, preferably running a pub with a reputation for serving good food.
- An understanding of, and a passion to deliver, great customer service..
- A willingness to work closely with the Bladon Community Benefit Society (BCBS) to achieve the community's vision to be more than a pub.
